## TO WHOM IT MAY CONCERN

This is to state that **DICS Intertrade Ltd** designed and produced Control Sub-systems as a subcontractor to **SEBIM** company, France for Overpressurization Protection Systems of Steam Generator for Units 1 and 2 of Nuclear Power Plant KOLA, Russia.

**The systems have been successfully in operation almost one year now.**

The systems, as a whole, have been designed and meet Class K3 (RCCE French code) requirements for building Safety Related Equipment for Nuclear Electric Power Generating Plants.

Made at Chateaufneuf-Les-Martigues,  
10<sup>th</sup> of January, 2000
